Redkey Church of the Nazarene is taking many precautions to attempt to prevent the spread of COVID-19 during its Vacation Bible School. These precautions include but are not limited to encouraging physical distancing, keeping children with their own age group, frequently cleaning commonly touched surfaces, and providing hand sanitizer. Even with these precautions in place, due to its capacity to transmit from person-to-person through respiratory droplets, it is still possible for COVID-19 to be transmitted in this environment. With full knowledge of the risks involved, by signing below I hereby release, waive, discharge Redkey Church of the Nazarene, its representatives, and volunteers and assigns from any and all liabilities, claims, demands, actions, and causes of action whatsoever, directly or indirectly arising out of or related to any loss, damage, injury, or death, that may be sustained by my child/dependent listed above related to COVID-19 while participating in any activity while in, on, or around the premises of Redkey Church of the Nazarene that may lead to unintentional exposure or harm due to COVID-19.
